Architectural Product Information / Wichita Territories

Claco Supply, now SGH Concepts, was founded in 1932 to serve the construction community. In 2018, Claco Supply was acquired by SGH Redglaze Holdings Inc. and has expanded the company's territorial reach and product portfolio of construction and architectural products. With you in mind, we've created a guide to our products and our Wichita-based team members who are ready to serve you.
