Customer Service You Can Count On

At SGH Concepts, our experts assist with product questions, technical data, and system selection. Once your quote is accepted, we verify details, handle changes promptly, and provide accurate delivery schedules. Our goal is to deliver precision, reliability, and responsive service from start to finish.

In Stock Systems & Finishes

SGH Concepts maintains a limited in-stock inventory of select Kawneer storefront systems at our Omaha warehouse, including 450 and 451T series. We also stock a large selection of miscellaneous extrusions and service replacement parts for fast turnaround.

System		Finish Options	Availability
450		#14 Clear, #22 Bone White, #29 Black, #40 Dark Bronze	In Stock
451T		#14 Clear, #22 Bone White, #29 Black, #40 Dark Bronze	In Stock

*Other systems or finishes may be ordered directly from Kawneer, typically with a 4-week lead time. (Specialty systems or finishes may require additional time.)

Fabrication Capabilities

SGH Concepts Omaha is now equipped for full storefront fabrication and entry door assembly, offering optimization and precision cutting with Kawneer storefront punches.

Customer Service You Can Count On

At SGH Concepts, we make material acquisition simple and efficient. Our team utilizes the latest Kawneer estimating software to provide rapid estimating turnaround (typically within 24 hours) and accurate project details. We also supply comprehensive door order sheets that simplify your material requirements.

Fast, Reliable Lead Times

Unlike others, SGH Concepts doesn't rely on factory shipping. We pick up orders directly from Kawneer every two weeks, allowing us to ship customer orders the following week. This process ensures one of the fastest turnaround times in the industry.
